ENERGY SYSTEM

quad USB.

Introduction

Thank you for your trust in our company and for buying the new Home Charger 4.0A Quad USB. This 4 ampere universal charger is compatible with all USB devices including Android and iOS. Perfect combination of power and compact, neat design in white. With four USB ports to charge up to four devices simultaneously. We hope you enjoy it.

We recommend you to read this manual to enjoy your device safely and make the most of all its features.

Important: Please check the input current that your USB device can handle. In case that the current provided by the charger is not appropriate for your device, it may not charge correctly.

Care and maintenance

- Do not expose your *Home Charger 4.0A* to impacts, dust, fire, direct sunlight, humidity or high temperatures.
- Do not use neither corrosive nor abrasive cleaning products.
- Do not try to dismantle the *Home Charger 4.0A*. All reparation works should be carried out exclusively by qualified staff of Energy System.
